Lizerna Starch

Efficient natural starch

**PROPERTIES:**

- wheat-based cold starch
- dissolves and disperses fast in the liquor
- every stiffness of handle can be reached by corresponding dosage
- even applicable as regular starch
- gives a gentle gloss to the garment

**APPLICATION:**

The dosage depends on the requested stiffness and on the textiles.

- Shirts/coats: 4 - 5 g/l starch liquor (0.54 - 0.68 oz/gal)
- Table clothes/Aprons: 4 - 6 g/l starch liquor (0.54 - 0.81 oz/gal)
- General household washing: 2 - 4 g/l starch liquor (0.27 - 0.54 oz/gal)

Running time for the starch cycle: 4 - 6 minutes depending on the size of the machine

Lizerna Starch is also optimally suited for the manual starch process or as stock solution.

**TECHNICAL DATA:**
