

Powerclean Quick

Special instant cleaner

- PROPERTIES:**
- compatible with aluminium
 - extremely effective against stubborn stains
 - universally applicable
 - oil and grease emulsifying

APPLICATION: Powerclean Quick is a highly effective special instant cleaner for all surfaces that can be wiped. Powerful cleaning action yet gentle protection of materials is achieved by mixing good wetting wash-active substances with oil and grease emulsifying tensides. Even stubborn stains are removed quickly and reliably. The cleaned surfaces are restored to their original appearance and sheen. Even aluminium surfaces can be cleaned with Powerclean Quick. Powerclean Quick contains no EDTA or NTA. Powerclean Quick can be used in industry, restaurants and industrial kitchens, agricultural operations, building cleaning, vehicle fleet maintenance, automobile repair shops and many other areas. Powerclean Quick is mixed with water and sprayed or applied with a brush or sponge to the cold surface. After adequate soak time, wipe up with damp cloth or rinse with clean water.

Application concentrations:

Apply 1:5 to 1:50 diluted with water; use higher concentrations for heavy soiling. Warm water improves the cleaning result. Test compatibility of materials before first use.

TECHNICAL DATA:

Density	1.03 g/ml
pH-value (conc.)	12
pH-value (1 %)	10 - 11
